The Man about Town

It looks very much like the Rose case was being drawn out for the benefit of the men, doubts, will be kept in the air. Think of the fact of turning away 500 any order to obtain a fair jury to try a case of this kind. And only one agreed on. No wonder the defendant is said to be disgusted with the proceedings.

The million-dollar snow that fell in Utah Saturday night will add certainty to the assurance that Salt Lake will have an abundance of water for all purposes for the coming summer.

It is encouraging to the promoters of the irrigation project to see the increased interest which the people are showing in this very important work. And it may well be claimed that as soon as a healthy sentiment is created in favor of pushing the plans of the organization to see the importance of giving us the lift that is deserved.

Now that the United States has a clear title to the Fort Douglas property, it is expected that there will be some getting busy pretty soon.

Speaking of the war in the Orient and the religious standing of the people at war, the church organ says that neither party is to lay any claim to Christianity. It says the Russians are not Christians. What means all these dispatches about the war? Is the cause of the conflict and the like? Is the cause of the conflict and the like? Is the cause of the conflict and the like?

It will do to look about the nuisance of the blocking the street corners in the busy sections of the city, but the fact remains that the general public is very seriously inconvenienced by this practice.
